

WOS Waitangi weekend Mini- Rally held 6th - 10th February

This WOS event had all the wow factors to the fore with perfect weather, great organization by Gail, the fabulous fun atmosphere provided by everyone making the most of all the facilities on offer at the picturesque Hamilton country complex. The variety of sports & games on the cards each day proved a winner for participants of all fitness levels with the big plus of vocal encouragement from the ever present array of bystanders. Some of this encouragement naturally strayed into the realm of mischief making - providing added fun and entertainment value for one and all.

It seemed like everyone got bitten by the fun bug - laughter certainly was great medicine, applied liberally by all punters through out the weekend. The games continued - we won some - we lost many but we weren't really counting we were havin a ball.

This annual Mini-Rally has been running for many years now and gaining a pretty healthy reputation as an all time fun sporting challenge for what ever innovative games are on tap this year.

Like all Naturist events there is much emphasis on having an enjoyable relaxing time with friends away from the everyday pressures that threaten to rule our lives.

See you all back again next year - or anytime.

The meals and snacks provided by the WOS team of Peggy, Sherida and Susanne were a big hit with a never-ending supply of quality snack foods as well as main meals for the four days of events.

Bingo was one of the favourite evening entertainments as was cards plus a quiz night.

There was also a well supported gift card making day session organised by Trudi whilst Gail remained at the helm overseeing the array of fun and games on offer each day and ironing any bent rule books ready for next year.
